Why JA Inspire

- ✓ Supports career readiness standards
- ✓ Connects classroom learning to real-world application
- ✓ Aligns with state graduation and career exploration requirements and career choices
- ✓ Includes interactive booths and career panels
- ✓ Has pre- and post-event resources to extend the learning in your classroom
- ✓ Helps students make informed decisions about postsecondary education and career choices

Schools and educators must sign up to be included in this event.
Limited space available, and early registration is highly recommended.

Join Us At JA Inspire

JA Inspire Nevada is a statewide virtual and in person career fair targeted towards students aged 13-25. Students receive access to the virtual fair, as well as attending the live event at UNLV. They will attend seminars on getting hired, financial aide, college admissions, and a campus tour. They will also spend time in the expo hall, where they can engage face to face with our exhibitors.
